Investment consultant's report:

Mr. Guy Cooper and Mr. Eddie Guerra represented Mercer Investment Consulting at the meeting.

Mr. Cooper asked for some direction from the board regarding the Hedge Fund of Funds Managers, Cadogan Management, LLC and Pernal, that were hired in February 2009.

Mr. Cooper was advised that Cadogan Management, LLC and Pernal were hired at the February 17, 2009 meeting allocating \$20 million each but the firms must be transparent in their operations. At the March 2009 board meeting, a motion was made to suspend funding Cadogan Management, LLC and Pernal until after the new Consultant was hired. Contracts have not been signed as of this date.

Chairman Reech directed Mr. Cooper to contact Cadogan Management, LLC and Pernal to determine their level of transparency and report back to the board at the August board meeting.

Market Update:

Mr. Cooper reported that in the month of June and in the second quarter, small caps outpaced large caps. Style performance was mixed, as growth outperformed in large cap for the month of June, but slightly lagged over the second quarter. Within small caps, growth outperformed by a wide margin for both the month and the quarter. International lagged in June but exceeded domestic for the quarter ended June 30.

High yield posted strong absolute results and the Barclays Aggregate rose 0.6% for the month and 1.8% for the quarter.

Mr. Eddie Guerra reported that the international small cap and emerging markets strategies are currently underweight relative to MPERS' policy targets and that Mercer will consider rebalancing the portfolio at the August or September 2009 meetings. Mercer will also make recommendations for rebalancing the real estate assets.

Mr. Cooper stated that the preliminary total fund performance for year ended June 30, 2009 was -21.1%.

Investment Managers Presentation:

Mr. Jim Hutchinson represented LaSalle Investment Management to present their annual report. The portfolio value as of June 30, 2009 was \$38,998,257.

Gibson seconded by Mr. Kelly Gibson to approve a 2% longevity/COLA increase for all employees with at least one year service for the next three years effective July 1, 2009, with other matters relative to staff salaries deferred to the August meeting.
